Sleep Mats

for the Homeless

**A community outreach
project
of St. John Lutheran Church
Ingomar**

How do you transform this

into this?

Collect plastic grocery bags

Cut bags in strips and loop together to make plastic

Crochet the plarn into 3' X 6' mats

It takes 500 – 700 bags to make one mat. It takes 40 or more man hours to prepare the plarn and crochet one mat.

The mats are washable, bug resistant, portable, and provide protection from the ground.
